

Douglas County, Nebraska
Engineer's Office
15505 West Maple Road
Omaha, NE 68116

Request for Block Party Permit

This is a request for street closings for the purpose of a block party outside of the corporate limits of a city or village in Douglas County, Nebraska. If you are wishing to request a street closing inside of corporate limits, please consult with the city or village in which the closing is being requested to take place.

Submit completed requests to Douglas County, Nebraska, Engineer's Office, 15505 West Maple Road, Omaha, NE 68116 PH: (402) 444-6372 FAX: (402) 444-6244. Requests may also be emailed to road_permits@douglascounty-ne.gov.

Conditions for Approval:

- Street closing will be for an entire block; not individual residences.
- Street closing for the purpose of a block party will not be allowed between the hours of 11:00 P.M. and 8:00 A.M.
- Your assurance that none of the residents on this block has any objections; if the County Engineer's Office receives an objection from one of the residents on the street to be closed, the permit will be held pending information of your attempts to resolve the objection. If the objection cannot be resolved, the permit will be revoked.
- That there will be no cause for complaint with respect to disturbing the peace or littering the area
- It will be necessary that you furnish your own street barricades. These barricades must comply with the Manual of Uniform Traffic Control Devices. In placing the barricades, one lane must be left open for police, fire and emergency vehicles.
- Approval may be contingent upon special requirements as dictated by each unique situation.
